

El lodo de color marrón es suave y fresco.

Caléndulas anaranjadas parecen como el sol.

Mud is squishy, cool, and brown.

Orange marigolds look like the sun.

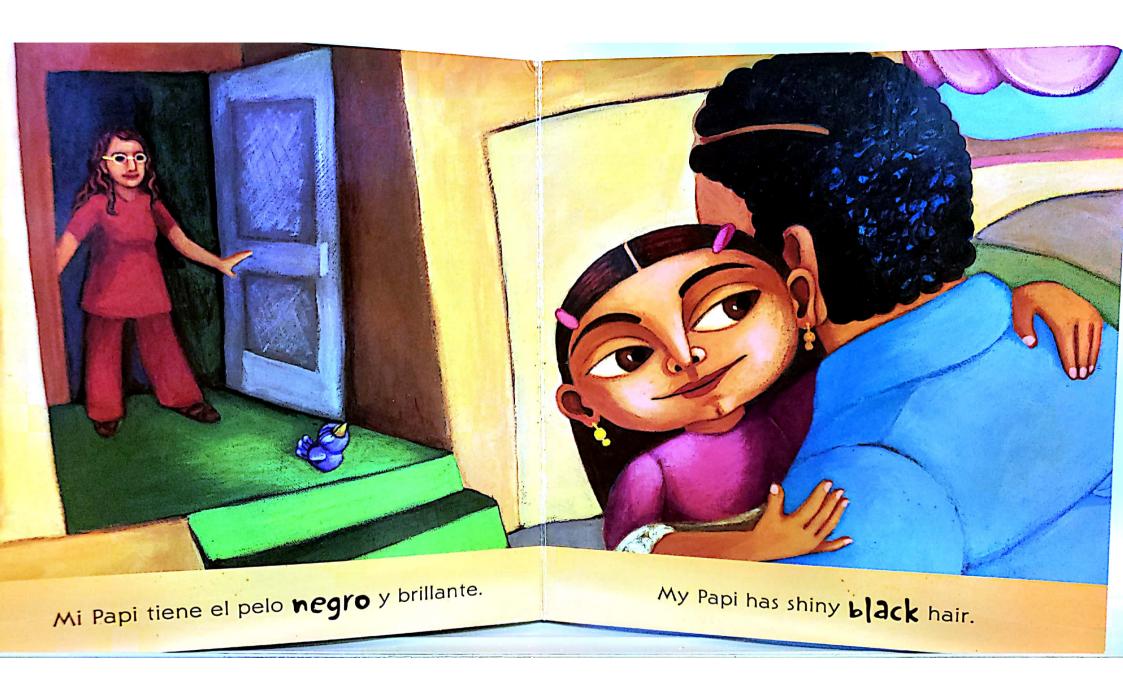

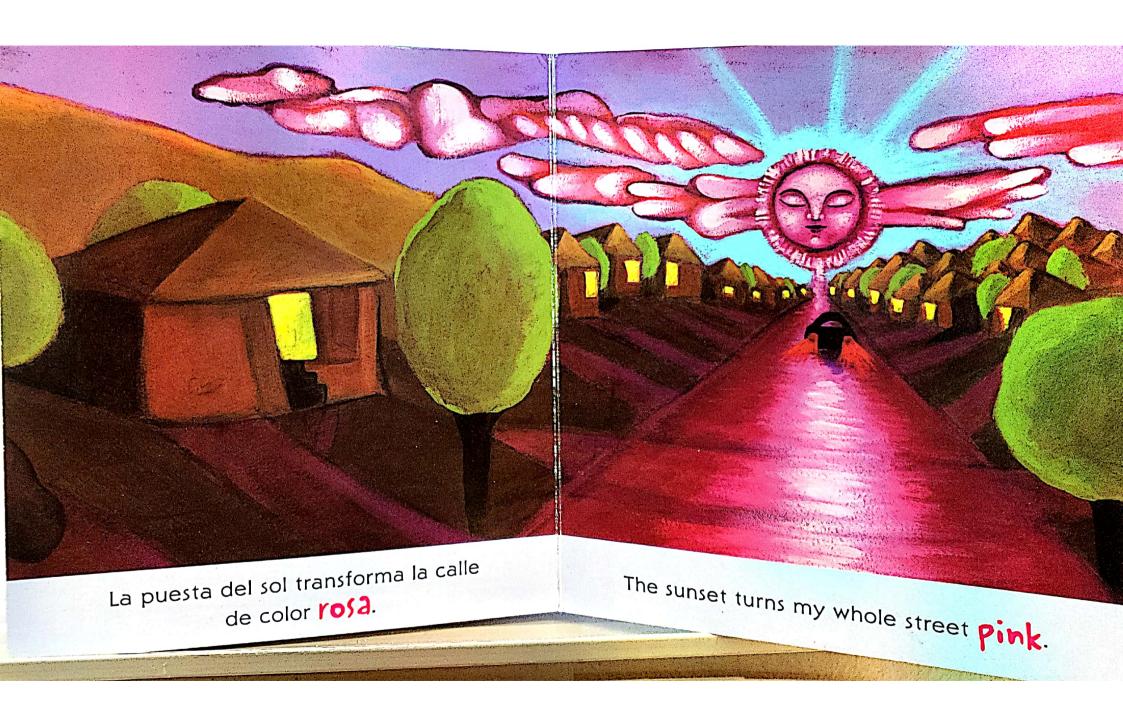

Me gusta balancearme en mi columpio rojo.

I love to sway on my bright red swing.

Cae la noche de un **320** aterciopelado. ¡Buenas noches!

The night falls, velvety **blue**. Goodnight!

My Colors, My World

Adapted from the award-winning book by Maya Christina Gonzalez

Little Maya looks all around her to find the colors in her world. She finds purple and orange in the garden, and red and green in her backyard, to name just a few. Look around you. What are the colors in your world, and where do you find them?
